Dear Mr. Picone:

On behalf of the Board of Directors, Management and members of Cullman Electric Cooperative, we would like to offer our thanks for your assistance during our restoration efforts following the tornado outbreak of 4/27/11. As a result of assistance we received from organizations such as yours, we were able to restore service to our members in an efficient and timely manner.

Enclosed you will find a list of names along with commemorative shirts and hats for each of the men that you sent to our aid. APL has a group of men you should be proud of. Please pass our gratitude on to each of them.

In the future, if there is anything Cullman Electric Cooperative can do to return the favor, please don't hesitate to call. Once again, thanks for your assistance

Sincerely,

D. Kyle Baggett, P.E.
