Dear Mr. Robertson:

On behalf of Carroll EMC, I just wanted to take a moment to thank you and your company for the assistance you have provided us this year, in particular Greg Piccione, Mike Lanier, and his crew.

This has been an unprecedented thunderstorm season for our cooperative, as well as many other utilities in our part of the country. The state of the economy has made it a challenge to obtain assistance in storm situations. Your company's response to our requests for help, have been outstanding and the quality of work is second to none.

My relationship with Mike Lanier and Mark Padgett extends over twenty years and I am sure you realize by now what a valuable asset they are to you and your company. I have known Greg Piccione for several years now and he has always gone above and beyond to provide assistance to our co-op in any way he can.

Again thanks for the help during this trying year. If I can ever be of assistance to you please do not hesitate to call.

Sincerely,

Tommy Cook
